This is so retarded you can't even mention it in
person, it's
like saying Martians Started ORG Religion and
Humans Become
Telepathic Ghosts when they die, which is all
basically retarded.

In Terms of Retarded, there are about five things
in the list
of Absolutely Fucking Retarded. Fifth place would
be Anti Zionist,
Anti Psychiatry, Anti Freemason types. Fourth Place
Would Be
Anti Vaxxers, Truthers, etc. Third Place would be
People who believe
in Telepathy, Remote Viewing, Remote Influencing
etc. Second place
would be Targeted Individuals who claim they are
gang stalked by
Government Freemasons in Sheriff's Departments and
all that, and
it's funny when they go out and just commit suicide
and do society
a favor, because most of them are actors who give
useless advice.
First place of Retarded would lastly be people
brain damaged by
psych meds like Depakote that Make Overunity Free
Energy from
Copper, Tin, Paper, Zinc, Aluminum, and Neodymium
Magnets ... ;
